

Sunday, June 17

18:00 - 19:00

Welcome reception and registration at Bella Center

# Monday, June 18

09:00 - 09:30

Welcome Address

09:30 - 09:45

Student Awards Ceremony

09:45 - 10:30

Plenary: Genome Based Breeding -  
New Breeding Technologies

Speaker: Caixia Gao  
Chair: Fabio Fornara

10:30 - 11:15

Plenary: Niche Crops

Speaker: Claire Lanaud  
Chair: Robbie Waugh

11:15 - 12:15

Exhibition and Refreshments

12:15 - 13:45

## Subsessions

Genome Based Breeding - NBT

Speaker: Wendy Harwood  
Chair: Fabio Fornara

+3 talks based on selected abstracts

Niche Crops

Speaker: Fred Stoddard  
Chair: Robbie Waugh

+3 talks based on selected abstracts

13:45 - 14:45

Lunch Break & Exhibition

Science Communication workshop  
(EPSO)

14:45 - 15:30

Plenary: Phenotyping at different scales

Speaker: David Kramer  
Chair: Christian Bachem

15:30 - 16:30

Poster Session 1 & Exhibition

16:30 - 18:00

## Subsessions

Phenotyping on different scales -  
Methodologies

Speaker: Fred van Eeuwijk  
Chair: Christian Bachem

+ 3 Talks based on selected abstracts

Photosynthetic Diversity

Speaker: Howard Griffiths  
Chair: Jeremy Harbinson

+ 3 Talks based on selected abstracts

18:30 - 19:45

City Welcome at Copenhagen City Hall

# Tuesday, June 19

09:00 - 9:45

Plenary: Photosynthetic Diversity

Speaker: Susanne von Caemmerer  
Chair: Jeremy Harbinson

09:45 - 10:45

Poster Session 2 and Exhibition

10:45 - 12:15

## Subsessions

Photosynthetic Diversity -  
Resource Use Efficiency

Speaker: Poul Erik Jensen  
Chair: Jeremy Harbinson

+ 3 Talks based on selected  
abstracts

Phenotyping at different scales -  
Traits

Speaker: Christian Sig Jensen  
Chair: Christian Bachem

+ 3 Talks based on selected  
abstracts

12:15 - 13:15

Lunch Break & Exhibition

13:15 - 15:00

Policy Session - Open Science

- o Niels Gøtke, Bioeconomy Panel of the European Commission
- o Peter Olesen, European Institute of Innovation and Technology (EIT)
- o Nils Stenseth, Scientific Council of the European Research Council
- o Annette Scheegans, European Commission - DG Agriculture
- o Alan Schulman, LUKE, Finland

15:00 - 15:45

Plenary: Genome Evolution

Speaker: Kirsten Bomblies  
Chairman: Alan Schulman

15:45 - 16:30

Refreshment Break & Exhibition

16:30 - 18:00

## Subsessions

Genome Evolution  
- Computational

Speaker: Tom Wicker  
Chair: Alan Schulman

+ 3 Talks based on  
selected abstracts

Plant Microbiome  
- Biotic Interactions

Speaker: Hans Thordal-  
Christensen  
Chair: Jens Stougaard

+ 3 Talks based on  
selected abstracts

Beyond the scope of  
session themes

Chair:  
Urte Schlüter

Talks based on  
selected abstracts

18:15 - 22:00

Informal Social gathering at Toldboden

# Wednesday, June 20

09:00 - 09:45

Plenary: Plant Microbiome

Speaker: Simona Radutoiu  
Chair: Jens Stougaard

09:45 - 10:45

Poster Session 3 and Exhibition

10:45 - 12:15

## Subsessions

Plant Microbiome

Speaker: Harro Bouwmeester  
Chair: Christian Bachem

+ 3 Talks based on selected abstracts

Genome Evolution - Epigenetics

Speaker: Claudia Köhler  
Chair: Robbie Waugh

+ 3 Talks based on selected abstracts

12:15 - 13:15

Lunchbreak & Exhibition

13:15 - 14:00

Plenary: Seeds For The Future

Speaker: Wim Soppe  
Chair: Ilse Kraner

14:00 - 14:45

Plenary: Natural Products

Speaker: Massimo Maffei  
Chair: Cathie Martin

14:45 - 15:45

Poster Session 4 & Exhibition

15:45 - 17:15

## Subsessions

Natural Products

Speaker:  
Alain Goossens  
Chair:  
Cathie Martin

+ 3 Talks based on  
selected abstracts

Seeds for the Future  
- Seeds & Nutrition

Speaker:  
Mary Lou Guerinot  
Chair:  
Christian Bachem

+ 3 Talks based on  
selected abstracts

Environmental Resilience: Global Change

Speaker:  
Hendrick Poorter  
Chair:  
Torgny Näsholm

+ 3 Talks based on  
selected abstracts

18:30 - 22:00

Conference dinner & dance at Langelinie Pavillion

# Thursday, June 21

09:00 - 9:45

Plenary:  
Environmental Resilience

Speaker: Peter Reich  
Chair: Torgny Näsholm

**plant biology**

09:45 - 10:45

Poster Session 5 and Exhibition

10:45 - 12:15

## Subsessions

Seeds for the Future  
- Seed Biology

Speaker: Wanda Waterworth  
Chair: Ilse Kranner

+3 Talks based on selected abstracts

Environmental Resilience  
- Abiotic Stress

Speaker: Mark Tester  
Chair: Michael Palmgren

+3 Talks based on selected abstracts

12:15 - 12:45

Official Closing Ceremony

12:45 - 18:15

Technical Tours and Social Activities :

Career Workshop in Copenhagen Plant Science Centre

City and Harbour tour (CPH)

Friday, June 22

08:30 - 18:15

Technical Tours and Social Activities:

Royal Copenhagen Tour

Technical tour to the Radimax phenotyping facility in Taastrup  
(Just outside Copenhagen)
